17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Form C-103 submitted 11-17-1975 detailed proposed operation to place well on production. Due to other pressing business obligations this operation has been delayed. Well condition is such that no damage to producing zone or fresh water zone will occur.

I request one year extension of time to complete operation. Such extension will enhance the ability to conserve the natural resources.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
