Attention: Mr. J. M. Gurrett, Jr.
Special Assistant Attorney General

Dear Sir;

In reply to your letter of March 19, 1964 I wish to advise that my file reflects that on December 4, 1963 quintuplicate copies of Forms C-103 and C-105 were sent to the Oil Conservation Commission in Artesia, New Mexico. By carbon copy of this letter to this office I am furnishing photostatic copies of my file copies of these reports and another copy of the Electrical Log of the well in question.

If there is anything further that I can do to remedy this situation please advise. If it is necessary to file additional copies of these reports please advise and I will be happy to do so.

Very truly yours,

Stephen C. Helbing
