Gentlemen:

This will acknowledge receipt of Form C-102 and C-103 on the above captioned well. However, before these forms can be approved it will be necessary for you to submit three copies of Form C-103 stating the size, weight and amount of casing run, and the number of sacks of cement used to cement the same. Further, please submit six copies of Form C-105 (Well Record). Our office will need to make inspection of the location before the plugging report is approved.

Very truly yours,
