Gentlemen:

We hereby acknowledge receipt of Form C-103 on the subject well stating that it has been completed as a salt water disposal well. However, the information thereon is not complete.

On Form C-101, Application for Permit to Re-enter, you proposed to test the San Andres for oil or gas and if not productive to complete as a disposal well.

Please file Form C-103 showing the depth cleaned out to, all testing and treating for production, how and where you plugged back to, the perforations and treatment of the disposal interval and where tubing and packer was set.

If you have any questions concerning this please do not hesitate to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
