17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well has been temporarily abandoned water injection well since August, 1968. We would like to retain temporary abandonment status on this well in order to have an opportunity to review our economics on the increased price of oil as to possible reinstatement of secondary recovery project. This work should be completed within the next 6-9 months.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
