17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Instead of acidizing this well to reduce the injection pressure below the authorized injection pressure, we decided to temporarily abandon this well. The Mary Ann Cannon, Well #7 is an active salt water disposal well which is capable of handling the produced water from the Mary Ann Cannon Lease; therefore, we have no need for the Mary Ann Cannon, Well #8Y at the present time.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
