O. C. C.
ARTESIA, OFFICE

Attention: Mr. George Maddox

Gentlemen:

Pursuant to your request, Shell Oil Company hereby gives and transfers the captioned well, together with the casing therein, to the United States Geological Survey for use as a water test well, under the following conditions:

That the USGS agrees, as evidenced by the signature of an authorized representative, to accept all responsibilities incidental to said well and the plugging thereof with no further costs to be incurred by Shell in connection therewith.

It is further understood and agreed that Shell does not hereby purport to transfer the rights of ingress and egress to and from said well.

The transfer of said well shall be effective upon return to Shell within ten days of two such signed copies hereof.

Yours very truly,
SHELL OIL COMPANY
