Dear Mr. Ratts:

In reply to your letter of January 16, 1975, concerning the subject well, please be advised that Form C-103 must be filed with a detailed report of all work performed on the well.

Further, I see no reason to continue reporting on Form C-115; however, the last time it is reported a notation should be made on said Form C-115 to the effect. (SWD well final report).

Sincerely yours,

OIL CONSERVATION COMMISSION
