Dear Sir:

We are in receipt of form C-105 (Well Record) on each of the above-captioned wells. Before these forms can be processed, it will be necessary for you to submit three (3) copies of form C-103 on each string of casing run (for each well), indicating depth, number of sacks cement, and results of test of casing shutoff.

Please submit these forms to this office as soon as possible.

Very truly yours,
