Re: Daniel W. Harol
Avalanche Journal
1-A in unit D 12-105-27

Please check for correct well
numbering. The letter "A" could
be made a part of the lease
name or deleted.

Thanks,

BY J. P. Williams

DATE 4-22-66

Since this well is
Plugged and Abandoned
I don't think that it
will make much
difference what we call it.
We have placed the A with
the lease name
