Attn: Mr. M. L. Armstrong  
Supervisor, District No. II

Dear Mr. Armstrong:

I surely wish to thank you for the information given me by telephone today regarding report filing.

I secured your letter from Mr. Barnes, you will note that enclosed is a corrected Form C-103 covering Logging, Perforating and Treating the Tonkin well as requested in your letter.

You will also note that the address used in filing the enclosed reports has been changed to my address. Believe it will expedite these reports to have all correspondence come to my office and to my attention.

Do you have a sufficient quantity of blank Form C-103 to send me a supply? I would like 40 or 50 sheets if possible.

Thank you.

Yours very truly
