17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On June 1, 1976 we received word this well had been leaking. Inspection showed well to have been leaking a small amount. Not enough to puddle. Inspection showed someone had opened valve.

Corrective measure of closing and re-sealing valve were taken.

Inspected again on 6-8-76 with Lelan Mermis. No sign of any further leaks.

Corrective measures to insure no re-occurrence of leak made until we can decide to re-activate or completely plug this well.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
