

OIL CONSERVATION COMMISSION  
Artesia, New Mexico

Re: Dr. Sam G. Dunn

Dale Federal #7-E, 26-7-26

Chaves County, New Mexico

Our files, for the subject well, were checked against the district U. S. Geological Survey records during July, 1967. At that time, no additional reports had been received in their office. When additional reports become available, they will be forwarded to us.
