Dear Mr. Prince:

We hereby acknowledge receipt of Federal Form 9-331 reporting running tubing and rods and Form C-127 requesting an allowable of 1 barrel of oil per day on the subject well.

However, according to our records, a completion report has never been submitted. Therefore, prior to assigning an allowable, you must submit Form C-104, Request for Allowable and Authorization to Transport Oil and Natural Gas, with all of the required information thereon.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett  
Supervisor, District II
