Re: Avalanche Journal
State #1-F, 4-8-27, Acme-
San Andres Pool, Chaves
County, New Mexico

Gentlemen:

An inspection of the subject well on January 22, 1971, revealed that the rods and tubing had been pulled and that the well was shut-in.

Therefore, unless notified otherwise by Commission Form C-127, the well will receive no allowable beginning March 1, 1971.

Very truly yours,

OIL CONSERVATION COMMISSION

R. L. Stamets
