Re: Chaves County Dry Holes

Dear Sir:

As per your letter dated May 15, 1967, we have checked with the field foreman and he has advised us that all clean up work has been completed on the O'Brien A #1 K, 3-8-28 and the O'Brien E #1 I, 34-8-29. These locations are ready for inspection.

Yours truly,

CITIES SERVICE OIL COMPANY
