Dear Mr. Kelly:

We are in receipt of Forms C-103, Notice of Intent to Plug, and Form C-105, "Well Completion Report and Log," on the subject well.

We did not receive the set of welex logs mentioned in your letter.

The enclosed C-105 is being returned for some additional information. Please fill in the formation record section on the back of this form.

Also please file Form C-103 on the surface casing run in the well.

Very truly yours,
