Re: Browning Well No. 1 M,
27-8-29, Chaves County,
New Mexico

Dear Mr. Sweeney:

On May 2, 1968, an inspection was made of the site of the subject dry hole. Said inspection revealed that the wrong Range has been shown on the marker. Range 28 East is shown rather than Range 29 Easttas is correct.

Please have the marker corrected and contact this office so that final inspection may be made.

Very truly yours,

OIL CONSERVATION COMMISSION

Dear Mr. Sweeney:

On May 2, 1967, an inspection was made of the site of the
suspect dry hole. Said inspection revealed that the wrong location
has been shown on the map. Range 28 West is shown rather than
Range 29 East as correct.

Please have the map corrected and contact this office so
that final inspection may be made.

Very truly yours,
