Re: O'Brien Well No. 1-G,
Section 25-8-29, Chaves
County, New Mexico

Dear Mr. Sweeney:

In June, 1967, the subject well was partially plugged and reportedly turned over to the O'Brien Ranch for use as a water well. We were advised at that time that the required Affidavit of Responsibility, Conversion to Water Well would shortly be filed.

To date this affidavit has not been received and a recent field inspection indicates that well is not being used as a water well.

Please have the necessary affidavit completed and filed or submit Form C-103, outlining a final plugging program for the well.

If this matter cannot be completed within 30 days, please notify this office.

Very truly yours,

OIL CONSERVATION COMMISSION
