Re: O'Brien Well No. 1-G,
Section 25-8-29, Chaves
County, New Mexico

Dear Mr. Sweeney:

Subsequent to our letter of February 18, 1970, concerning the subject well, you advised Mr. Gressett that the well would not be used as a water well. Further you indicated that a regulation marker would be set, the location cleaned and a final plugging report filed.

To date the final plugging report has not been received in this office. Your cooperation in the early completion of this matter is requested.

Very truly yours,
