OTHER: ☐

12. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

The pumping unit was moved from the Diablo State #2 to test the Diablo State #3, the well sign was attached to the unit for #2, thus it ended up on well #3. New well signs have been ordered for all our Diablo Field wells.

We have scheduled our pulling unit to rework the Diablo State #2 and if we don't have production we plan to turn this well into a water disposal well.

This well must be in physical compliance

on or before 4-30-02

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
