Re: Administrative Order CTB-177
Citgo State Lease
Lease No. K-2803
SE/4 NW/4 Sec. 36-8S-28E
Chaves County, New Mexico

Dear Sir:

Due to mechanical difficulties encountered in trying to produce the Citgo State Well No. 4 through a meter, we have abandoned plans to commingle the oil from State Leases K-2803 and OG-4681, and have installed a separate tank battery in the SE/4 NW/4 of Section 36-8S-28E for the Citgo State Well No. 4.

We have prepared and have forwarded Form C-104 to the Oil Conservation Commission District Office in Artesia showing the change of location for the tank battery serving this well.

Yours very truly,

H. N. Sweeney
