Dear Mr. Shannon:

Commission Form C-103, Notice of Intention to Plug and Abandon the subject well was approved on March 10, 1970. Then on August 28, 1970, you called concerning the possibility of turning the well over to the rancher for a water well and all of the necessary forms were sent to you for this. To date this office has received no reports showing the work has been completed.

Please advise as to the current status of the well.

Very truly yours,

OIL CONSERVATION COMMISSION
