Dear Mr. Shannon:

Mr. W. A. Gressett, District Supervisor of Oil Conservation Commission District II in Artesia has advised me that although the above captioned well has been plugged, the forms which are required to be filed with the Commission have not been so filed.

If arrangements for the filing of these forms have not been made with Mr. Gressett on or before December 7, 1973, the Commission will go to court and request an appropriate fine for violation of its rules and regulations.

Very truly yours,

WILLIAM F. CARR
General Counsel
