Buffalo Valley Penn Pool  
Chaves County, NM

Gentlemen:

Your request for an exception to the Shut-In Pressure Test requirement of Commission Rule-402 for the subject wells is hereby approved.

However, if for any reason the wells are shut-in during the year, the tests are to be run and the results reported. This exception is good only for the current year.

Sincerely yours,

*W A Gressett*

W.A. Gressett  
Supervisor, District II.
