Gentlemen:

Ninety days have elapsed since approval of Commission Form C-101 Notice of Intention to Drill, for the subject well and to date no progress reports, Form C-103, have been received. Therefore Commission approval of Form C-101 has now expired and no drilling operations are to be initiated or continued without further notice to an approval by the Commission. Pending such approval this will be considered an abandoned location.

Sincerely yours,

OIL CONSERVATION COMMISSION
