Gentlemen:

We are returning the enclosed Forms C-103 on the subject well for additional information.

Please show what was squeezed on October 25, 1979, and show the WOC time, test results, etc. Also, on October 30, 1979, you show cemented with 500 sacks cement, but you don't say what was cemented.

Further on Form C-101 you proposed to use 1200 sacks cement on the 4 1/2" casing; however, apparently only 500 sacks were used.

Please advise as to why such a drastic change was made without approval.

Sincerely,

W. A. Gressett
Supervisor, District II
