Re: Midwest-O'Brien #1-I,
Section 28-8-28, Chaves
County, New Mexico

Gentlemen:

An inspection was made of the site of the subject plugged and abandoned well on January 22, 1971. Said inspection revealed that none of the required clean up work had been done, see copy of our letter of September 15, 1971, enclosed.

This office would be most appreciative if this matter could be resolved at an early date.

Very truly yours,

OIL CONSERVATION COMMISSION
