Gentlemen:

Application for Permit to Drill the subject well was approved on January 15, 1970, and to date no additional reports have been received.

I notice from the scout report that this well has been drilled and casing set.

Therefore, please file Form C-103 showing the spud date, the amount, size, grade and weight of casing set, the volume of cement including additives used, and any other pertinent information. Commission Rules require the filing of this report within ten (10) days following the date work was performed.

If you have any questions concerning this please feel free to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
