Re: Davis State No.2-E,
Section 3-4S-26E,
Chaves County, New Mexico

Gentlemen:

Form C-101 Application for Permit to Drill the subject well was approved on 2-24-70 and to date no additional reports have been received. It is our understanding that the well has been drilled and plugged. Therefore to complete our records please file the following.

1. Form C-103 showing the spud date, the amount, size, grade and weight of the surface casing, the amount and type of cement used, the WOC time and results of casing test.
2. Form C-103 showing the proposed plugging procedure
3. Form C-103 Subsequent Report of Plug & Abandonment showing the amount of cement used in each plug and where the plug was spotted.
4. Form C-105 Well Completion or Recompletion Report and Log.
5. 1 Copy of all electrical and radioactivity logs run on the well.

If you have any questions concerning this matter please feel free to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION

W. A. Gressett
