Re: Merritt State #1-K
Sec. 22-12-27, Chaves
County, New Mexico

Gentlemen:

On a recent field inspection of the subject well we found the status of this well unchanged. The following items need to be completed.

1. Correct the marker
2. Fill pits and level the location
3. All junk must be removed or buried
4. Dead men wires are not cut

This work must be done as soon as possible or this matter will be turned over to our attorney.

Very truly yours,

OIL CONSERVATION COMMISSION
