Gentlemen:

Application for Permit to Drill the subject well was approved on May 18, 1970, and to date no additional reports have been received. Commission Rules & Regulations require the filing of reports as follows:

1. Report of Commencement of Drilling Operations.  
Within ten (10) days following the commencement of drilling operations, the operator of the well shall file a report thereof on Form C-103 in triplicate. Such report shall indicate the hour and the date the well was spudded.
2. Report of Results of Test of Casing and Cement Job.  
Within ten (10) days following the setting of each string of casing, the operator of the well shall file a report thereof on Form C-103 in triplicate. Said report shall show the amount, size, grade and weight of casing, the volume of cement and additives used, the WOC time and results of the test.

Please file the above reports immediately.

If you have any questions concerning this matter please feel free to call me.

Very truly yours,

OIL CONSERVATION COMMISSION

W. A. Gressett  
Supervisor, District II
