Re: Roy K. Furr Graves #1
O'Brien #1 & #2
Chaves County, N. M.

Dear Mr. Lillis:

We are returning the enclosed forms on the subject wells for additional information and clarification as indicated below.

On Graves #1-A, 8-8-28, please show the perforated intervals, treatment results and your proposed plugging procedure. Said plugging to be a 25 sack plug over the perforated interval, a 35 sack plug where the 5½" is cut off and 35 sacks from 700-800 in and out of surface casing shoe and a surface plug of at least 10 sacks with the required marker. Intervals between plugs to be filled with mud.

On O'Brien #2-C, 9-8-28, please show the perforated intervals, treatment results and your proposed plugging procedure. Said plugging to be a 25 sack plug over the perforated interval, a 35 sack plug where the 4½" casing is cut off and a 35 sack plug from 270-370 in and out of surface casing shoe and a surface plug of at least 10 sacks with the required marker. Intervals between plugs to be filled with mud.
