New Mexico

Dear Mr. Grimm:

According to the Scout Report the subject well has been plugged and abandoned. However the only report this office has received is Form C-101 application for Permit to Drill.

Please file Form C-103 reporting the spud date the setting and cementing of each string of casing and the proposed plugging program immediately.

If you have any questions concerning this please feel free to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
