Gentlemen:

By our letter dated October 5, 1972, you were advised that it would be necessary to file Form C-115, Monthly Production Report or Form C-120-A, Monthly Water Disposal Report for the subject well. To date, these forms have not been received.

Please submit the forms for the months of August, September and October.

Further, the Multi Point Back Pressure Test is due.

Failure to file these forms, within ten days, will result in cancellation of allowable for the affected well.

Very truly yours,

OIL CONSERVATION COMMISSION
