Chaves County, Mississippi

Gentlemen:

Enclosed please find six (6) copies of Form C-101, "Application for Permit to Drill, Deepen or Plug Back", along with four (4) copies of Form C-102 "Well Location And Acreage Dedication Plat", all pertaining to the above captioned well.

We are in the process of filing our \$5,000.00 plugging bond with your head office in Santa Fe and this should be concluded within several days.

It is my understanding that there is no fee for permitting drill sites in the state of New Mexico. If I am in error on this point, please advise as to the amount of any such fees.

Yours truly,

SECAN OIL COMPANY, INC.
