Utterback #1-E, 12-14-26
Chaves County, New Mexico

Gentlemen:

On March 21, 1973, an inspection was made of the sites of the subject plugged and abandoned wells. Said inspection revealed pits were cut but need to be levelled before the plugging report may be approved.

Please notify this office when the work has been completed so that we may reinspect the locations.

Very truly yours,

OIL CONSERVATION COMMISSION
