Dear Mr. Gressett:

I am in the process of auditing my production books. Have the following dry holes been approved by your office as of this date:

Citgo #1	Section 36-14S-27E
Bogle Farms #3	Section 14-16S-21E
Nonady State "16" #1	Section 16-6S-27E
State "L" #1	Section 16-6S-27E

If they have been approved, would you please send me one copy of the approved C-103 or C-105. If they have not been approved, please advise as to what needs to be done on location and I will see if I can get things moving. I'm sure that you would like to clear your records also.

Thank you for your extra trouble.

Very truly yours,
