Well #1-P 35-1-28
Chaves County, New Mexico

Dear Mr. Pierce:

This is to inform you of the progress on the subject well. They are at 2485' and drilling in time.

On a previous report of April 4, 1973 Mr. Adkins failed to give me the rest of the report which reflected a show of gas at 1725'-40' in the Queen formation. Will you make this of record? Thank you.

Very truly yours,

Clara Talbott
