

This form is to be filed with the appropriate District Office of the Commission not later than 20 days after the completion of any newly authorized geophysical well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all geophysical data obtained, including well stem tests. All depths reported shall be measured depth. In the case of directionally drilled wells, true vertical depth shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each zone. The form is to be filed in quadruplicate except in the case where six copies are required. See Rule 1105.
