Re: J C Nail #2
Unit B, Sec. 33-T5S-R24E
Chaves County, NM

Gentlemen:

We have just received your subsequent report of cementing the 8 5/8" casing. The temperature survey showed the top of cement was 400'. Was this cement top brought to surface?

If you have any questions concerning this matter please feel free to call me.

Sincerely yours,

Mike Williams
Oil & Gas Inspector
