Gentlemen:

We are returning the enclosed Form C-105 on the subject well for corrections.

On Form C-103 dated 1-29-82, you reported setting 7" casing at 2205', and the enclosed Form C-105 shows 4½".

If the casing is set at 2205' then you would have 15' of perforations in the casing and 5' in the open hole.

Please make the necessary corrections and return, also to date we have not received Form C-104, Request for Allowable.

If you have any questions concerning this matter please feel free to call me.

Sincerely,

A handwritten signature in cursive script, appearing to read "W. A. Gressett".
