Location: McClellan "MB" Federal  
Well No. 3, Sec. 31, T-5-S, ✓  
R-25-E

We may not process the subject application for non-standard location until the required information or plats checked below (is) (are) submitted.

A plat must be submitted clearly showing the ownership of the offsetting leases.

A statement must be submitted that offset owners have been notified of the application by certified mail.

A plat must be submitted fully identifying the topography necessitating the non-standard location.

Other: Please state the formation(s) for which the unorthodox location is sought and show the dedicated acreage.

Very truly yours,
