Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On 5/20/92 Sundry was sent stating that above mentioned well was plugged and abandoned, that was an error. We had received misinformation.

Said well will be plugged and abandoned within six months.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
