Dear Sir:

On April 29, 1982 your Permit to Drill the subject well expired and you were advised of this by our letter of May 4, 1982.

However, on a recent field inspection we found that work had commenced on the well and some casing has been set.

Therefore the Permit to Drill is hereby reinstated and you are requested to submit Form C-103 reporting the hour and date the well was spudded, the depth drilled and the amount of casing set.

If you have any questions concerning this matter please feel free to call me.

Sincerely,

W. A. Gressett
