Attn: Mr. Mike Williams

Dear Mr. Williams:

Enclosed please find original and two copies of the Form C-103 on the Crosby #1 Wilson well as per your instructions.

We are anxious to get the well plugged and abandoned and cleared by your office and will await your further instructions.

We are inexperienced in this part of the business and will appreciate any help you can give us such as a company or type of company who can do what we need to do.

Very truly yours,

C.E. Dorsey
