Gentlemen:

We acknowledge receipt of your C-103 dated June 21, 1983, on the above captioned well regarding the plugging of said well.

We have not, however, received a C-105, Completion Report, or a duly notarized Deviation Survey for this well.

We must have the above mentioned forms before we can inspect the site and approve the P & A procedure.

Very truly yours,

A handwritten signature in cursive script, reading "Leslie A. Clements".
