Dear Sirs:

On 8/17/01 a letter requesting a packer leakage test prior to 15 October, 2001. Our records do not show a copy of said test. If you have sent the information, do not own/operate the well, or have brought the well into compliance in another manner please contact me.

If the test has not been conducted as per Rule 112, contact the OCD 24 hrs. prior, then conduct the test and return the results on or before 15 November, 2001.

Thank you for your prompt attention to this matter and your efforts in helping to protect our environment and the infrastructure of the oil and gas industry.

Sincerely,

Van Barton
Field Rep. II
