Gentlemen:

Reports filed for the TRANSWESTERN GAS SUPPLY COMPANY No.1 Middle Fork Federal well, located in the NW $\frac{1}{4}$ SE $\frac{1}{4}$ Sec.8, T.6S., R.23E., Chaves County, New Mexico, indicate that the well is located on Federal lease NM 32322.

Subsequent to the filing of the Application to Drill for the above well, a partial assignment of NM 32322 was approved, creating lease NM 32322-A, on which the well is located. The assignment was approved effective July 1, 1981. Appropriate Designations of Operator from the assignees were filed when the Application to Drill the No.2 Middle Fork was submitted.

Please revise your records to reflect this change of lease number. TRANSWESTERN GAS SUPPLY COMPANY will be advised of the change by a copy of this letter.

Sincerely yours,

JERRY W. LONG
