Chaves County, New Mexico

Gentlemen:

We acknowledge receipt of the Form C-104 for the above well.

Before an allowable can be assigned, we must have a copy of the Deviation Record, signed and notarized.

There have been no logs received on this well and they were due May 24, 1982.

Also, we have not received the C-115 reports on your other wells for the months of April and May of 1982. These reports are to be postmarked no later than the 24th day of the next succeeding month. Failure of an operator to file this report in accordance with the provisions of this rule may result in cancellation of allowable for the affected wells.

Please submit said report as soon as possible.

Sincerely,

Mike Williams
